

BERNIE PRIOR IN AUSTRALIA

THE UNLIMITED REAL YOU

CREATING A NEW SELF ~ EVOLVING A NEW HUMANITY

BRISBANE-PERTH-SYDNEY 2ND-19TH FEB 2012

Join Bernie Prior for Evening Talks and Weekend Workshops

Bernie Prior is a self-realised, contemporary Master, a true spiritual seer and powerful transformer of evolutionary consciousness. Bernie speaks with compassion, great humour and heart-opening clarity. His very presence ignites the connection with one's true Self.

The Unlimited Real You

During the weekends, Bernie will interweave and teach 'moments' of **The Form Reality Practice™**. The Form is a profound evolutionary movement practice to realise and embody the Authentic Self in everyday life. It is a dynamic instrument of conscious transformation for these radically changing times, an instrument of AWAKENING, evolving consciousness for you, for life, for all.

"The whole point of existence is to bring in the *Real You*; who you *really* are, deeply and utterly, as eternal Being, Becoming."

Powerfully shift your awareness-consciousness and engage life as Authentic Self.
