

START THE NEW YEAR ENERGISED!

with

Begin 2012 by committing to YOU!

Designed to allow you to remove any limiting blocks as you recharge and revitalise, emba integrates powerful movement patterns, similar to those used in yoga and pilates, with breathing exercises and creative meditations to clear energy within your body and bring your life into balance.

"I was amazed by the clearing and centring that took place after the session. Thank you Kyla and Sarah Ann for sharing your knowledge, gifts and passion with me and others. The doors to transformation that you have opened to me and that I can share now with others is priceless." - Laura, Hornsby
